RE: Covid-19 Update

Hello to All Perry's Wild 3 on 3 Participants of 2020

We hope this memo finds everyone well at these uncertain times.

Just an update on our scheduled upcoming 2020 season. We are in contact with the City of Sarnia on a regular basis as they are keeping us informed with the direction of Lambton Public Health.

Our priority is the health and well being of all our participants, families and the community of Lambton County.

As of now, we have not been informed of any change of schedule, but in days to come we will be following the direction from the City of Sarnia.

We will be in contact with all participants with any changes once we have further information.

Kind regards,

*Jeff & Robin*
